IMMUNOLOGY

THE JOURNAL OF

AAI Courses in Immunology

The American Association of Immunologists

2008 Introductory Course in Immunology

June 20-26, 2008

The University of Pennsylvania, Philadelphia, PA

Don't miss the most comprehensive introduction to immunology available!

An intensive course taught by world-renowned teachers and researchers in immunology. This two-part course provides a comprehensive overview of the basics of immunology for students new to the discipline or seeking more information to complement general biology or science training. Upon completion, students will have the tools necessary to understand and discuss current topics and methods in immunology.

Part I (June 20-23) is a comprehensive introduction to the basic principles of immunology and is suitable for students with a general biology background. Part II (June 24-26) is a lecture course covering major areas of immunology and will require an understanding of basic immunology. Parts I and II may be taken independently at the discretion of the student. Registration details to be announced.

Course Director: Terri M. Laufer, M.D., University of Pennsylvania School of Medicine

The American Association of Immunologists

2008 Advanced Course in Immunology

July 19-24, 2008

The University of Minnesota, Minneapolis, MN

This intensive annual course is designed for serious students of immunology. Leading experts will present recent advances in understanding the biology of the immune system and its role in health and disease. This course is directed toward advanced trainees and scientists who wish to expand or update their understanding of the field. This is not an introductory course and attendees will need to have a firm understanding of the principles of immunology. Registration details to be announced.

Course Director: Marc K. Jenkins, Ph.D., University of Minnesota
Course Co-Director: Kristin A. Hogquist, Ph.D., University of Minnesota

If you have any questions, contact meetings@aai.org or call 301-634-7178.

Overseas applicants are advised to apply early for visas.

The American Association of Immunologists

Working for You!

The mission of The American Association of Immunologists (AAI) is to advance the knowledge of immunology and related disciplines, foster interchange of ideas and information among scientists, and promote understanding of the field of immunology.

REGULAR MEMBERSHIP BENEFITS

- Membership in the largest and most prestigious professional association of immunologists in the world
- Effective representation! Your views and concerns on research funding and science policy are brought to Congress and federal agencies by professional staff and member-driven committees who work together to advance immunology research and address issues that affect member careers.
- Voting privileges in AAI elections and actions
- Eligibility for prestigious AAI career awards and AAI travel awards
- Eligibility to serve on AAI committees; help determine the direction of AAI and serve the larger scientific community
- Reduced registration and abstract submission fees to the AAI annual meetings
- Privilege of leading major sessions at the AAI annual meetings
- Reduced registration fees to the AAI Introductory and Advanced Immunology Courses
- A subscription to *The Journal of Immunology* (print and/or online) and access to the full digital archive
- No submission fee for manuscripts submitted to *The Journal of Immunology*
- Significantly reduced color figure charges for manuscripts published in *The Journal of Immunology*
- Eligibility to serve on the Editorial Board of *The Journal of Immunology*
- Reduced subscription rates to other immunology journals and reviews
- Personal copies of the AAI Newsletter
- Membership in the Federation of American Societies for Experimental Biology (FASEB) and in the International Union of Immunological Societies (IUIS)
- Inclusion in, and online access to, the FASEB Directory of Members

To obtain additional information, please contact:

Late-breaking abstracts will be accepted beginning the week of **December 10, 2007. The abstracts will be accepted for poster presentations only and will be scheduled on **Wednesday, April 9, 2008**.**

Late-breaking abstracts will be published online.

Late-breaking abstracts must be submitted online at www.eb2008.org with the \$90 abstract fee by **Wednesday, February 6, 2008.**

Please visit www.eb2008.org for information about the meeting, including late-breaking abstract topic categories, the preliminary program, registration and hotel information. Please contact eb@faseb.org if you have questions.

!!Save Money!!

**Register online by February 6, 2008 and
complete your hotel reservations by March 3, 2008**

Special Discounts for AAI Member Authors

Waiver of Manuscript Submission Fee for AAI Members

Corresponding authors who are regular, emeritus, or honorary AAI members in good standing on the date of manuscript submission to *The Journal of Immunology* (*The JI*) receive a waiver of the regular \$50 submission fee.

Reduced Charges for Color Figures

Corresponding authors who are regular, emeritus, or honorary AAI members in good standing on the date their manuscript is accepted for publication in *The JI* are entitled to reduced charges for submitted color figures. AAI members receive a \$200 reduction for the first color figure on each page.

For complete details on AAI member privileges and benefits, eligibility requirements, and application forms, please visit www.aai.org/membership or contact the AAI membership office at 301-634-7195 or by e-mail to members@aai.org.

For complete details on manuscript submission to *The JI*, please visit www.jimmunol.org or contact *The JI* office at 301-634-7197 or by e-mail to infoji@aai.org.
