The American Association of Immunologists Award Recipients for 2009

The American Association of Immunologists proudly announces the 2009 recipients of AAI Awards for outstanding research and career achievements. The 2009 AAI Award winners will be recognized at the 96th AAI Annual Meeting, IMMUNOLOGY 2009™.

AAI Lifetime Achievement Award

In recognition of distinguished scientific accomplishment and extraordinary service to AAI

Steven J. Burakoff, M.D.
The Tisch Cancer
Institute, Mount Sinai
Medical Center

AAI Distinguished Service Award

*For dedicated leadership as
Chair of the AAI Program
Committee (2006-2009)*

John G. Monroe, Ph.D.
Genentech, Inc.

AAI Excellence in Mentoring Award

*In recognition of exemplary
career contributions to a
future generation of scientists*

David Baltimore, Ph.D.
California Institute of
Technology

AAI-Dana Foundation Award in Human Immunology Research

*For significant and sustained
achievement in immunology
research pertinent to human
disease pathogenesis,
prevention, and therapy*

Jacques Banchereau, Ph.D.
Baylor Institute for
Immunology Research

AAI-Invitrogen Meritorious Career Award

*For outstanding research
contributions to the field
of immunology*

Michael J. Bevan, Ph.D.
HHMI, University of
Washington, Seattle

AAI-BD Biosciences Investigator Award

*For outstanding, early-career
research contributions to the
field of immunology*

Chen Dong, Ph.D.
The University of Texas
MD Anderson Cancer
Center

Faculty Position: Tumor Immunology

H. Lee Moffitt Cancer Center & Research Institute, an NCI-designated Comprehensive Cancer Center, is seeking candidates for the rank of Assistant/Associate/Senior Member to expand the Department of Immunology. Individuals with a research interest in any area of tumor immunology, including antigen presentation, tumor-induced immune suppression or tolerance, gene regulation, signal transduction, crosstalk between innate and adaptive immunity, immunotherapy and cancer vaccines will be considered. Successful candidates are expected to develop a strong extramurally-funded research program.

Consistently ranked in U.S. News & World Report "Best Cancer Hospitals" for the past nine years, Moffitt Cancer Center and Research Institute is a free-standing, not-for-profit cancer center. Moffitt opened on the campus of Tampa's University of South Florida in October, 1986 and became Florida's only NCI designated Comprehensive Cancer Center in 2001. There is vast opportunity within our framework for information technology, scientific research, clinical treatment and quality of life studies, as we see over 15,000 new cancer patients each year. Our environment is one of multi-modality, patient-centered care requiring highly collaborative clinical research programs.

The Cancer Center is comprised of a large ambulatory care facility, 162 inpatient beds, including a dedicated transplant unit, 12 state-of-the art operating suites, a 30 bed intensive care unit, a high volume screening program, and a basic science research facility. The Moffitt Research Institute is comprised of approximately 140 Principal Investigators, 58 laboratories, and 306,000 square feet of research space. Our University of South Florida affiliation allows for a wide range of residency and fellowship programs, and Faculty of the Moffitt Cancer Center are eligible for academic appointments in their College of Medicine, commensurate with qualifications and experience.

Application Qualifications

The successful candidate must have an M.D. or Ph.D. with at least four years of postdoctoral experience in tumor biology or immunology and high quality publications in peer-reviewed journals. Salary and start-up packages are competitive and negotiable.

For inquiries about the position, contact Julie Djeu, Ph.D., Department Chair, at 813-745-3041 or julie.djeu@moffitt.org.

To apply, visit our website moffittcareers.org and refer to requisition number 3385.

Moffitt Cancer Center provides a tobacco-free work environment, is an equal opportunity, affirmative action employer, and a drug free workplace.

**SPECIAL DISCOUNTS
 FOR AAI MEMBER AUTHORS**

**WAIVER OF MANUSCRIPT
 SUBMISSION FEE**

Corresponding authors who are regular, emeritus, or honorary AAI members in good standing on the date of manuscript submission to *The Journal of Immunology* receive a waiver of the regular \$50 submission fee.

**REDUCED CHARGES
 FOR COLOR FIGURES**

Corresponding authors who are regular, emeritus, or honorary AAI members in good standing on the date their manuscript is accepted for publication in *The Journal of Immunology* receive reduced charges for submitted color figures. AAI members receive a \$200 reduction in the cost of the first color figure on each page.

For complete details on AAI membership privileges and benefits, eligibility requirements, and application forms, please visit www.aai.org/membership, contact the AAI membership office at 301-634-7195, or email members@aai.org.

For complete details on manuscript submission to *The JI*, please visit www.jimmunol.org, contact *The JI* office at 301-634-7197, or email infoji@aai.org.
