NEED TO RECRUIT?

Recruiting through THE JOURNAL OF IMMUNOLOGY is an economical way to reach your target audience—the immunology community.

Why pay more to reach geologists and physicists when you are seeking immunologists?

A ½ page ad in *The JI* costs \$1,190 and a ¼ page ad costs \$815.

Next in *The JI*

features articles published online ahead of print in THE JOURNAL OF IMMUNOLOGY at www.jimmunol.org.

Articles incorporate author proof corrections but may differ from the final published version. The date of online release is posted on each article and is the official date of publication. Print issues are released twice a month.

Use the **Email Alerts** feature at www.jimmunol.org to be notified when new content is published, either single articles ahead-of-print or full issues.

AAI... *Working for You!*

The mission of The American Association of Immunologists (AAI) is to advance knowledge of immunology and related disciplines, foster interchange of ideas and information among scientists, and promote understanding of the field of immunology.

REGULAR MEMBERSHIP BENEFITS

- Membership in the largest and most prestigious professional association of immunologists in the world
- Effective representation! Your views and concerns on research funding and science policy are brought to Congress and federal agencies by professional staff and member-driven committees working together to advance immunology research and address issues that affect members' careers
- Voting privileges in AAI elections and actions
- Eligibility for prestigious AAI career and travel awards
- Eligibility to serve on AAI committees: help determine the direction of AAI and serve the larger scientific community

THANKS TO AAI MENTORS

AAI thanks the following individuals who have given generously of their time to advise early career scientists in the **Grant Review for Immunologists Program (GRIP)**.

Through this program, AAI matches investigators seeking their first NIH grants with established researchers. AAI gratefully acknowledges these mentors for their efforts in support of this program.
