CALL FOR 2011 AAI AWARD APPLICATIONS

Deadline: January 14, 2011

Applications are invited for the following AAI Travel Awards and Grants, which annually foster the promise and professional development of early-career investigators and trainees, including underrepresented minority scientists and trainees.

Pfizer-Showell Travel Award

This award recognizes the professional promise of an early career investigator (assistant professor or equivalent) by assisting the award recipient with travel to the AAI Annual Meeting to present his or her research. Selection is based on career progress and submission of an outstanding abstract selected for oral presentation in a Block Symposium at the meeting. The award recipient must attend the annual AAI Business Meeting and Awards Presentation held during the Annual Meeting, where he/she will be recognized and presented with his/her award. Support of up to \$1500 will be provided for meeting registration and travel. This award is supported through an endowment from Henry J. Showell and Pfizer, Inc.

AAI-Life Technologies Trainee Achievement Award

This award recognizes up to 6 promising trainees in the field of immunology. Awardees will receive a \$1,000 cash prize, meeting registration, and travel support to the AAI Annual Meeting. Selection is based on career promise and presentation of an outstanding first-author abstract selected for oral presentation in a Block Symposium. This award is supported through a generous grant from Life Technologies Corporation.

AAI Junior Faculty Travel Grant

AAI is pleased to offer travel grants of \$700 to young investigators to attend the AAI Annual Meeting. Applicants must submit a first-author abstract or be an author on an abstract submitted to the AAI Annual Meeting. Attendance at the meeting is mandatory.

Cynthia Chambers Memorial-eBioscience Junior Faculty Award

Established to honor the memory of AAI member Dr. Cynthia Chambers, this award is intended to advance the career of a junior scientist who attends the AAI Annual Meeting and presents an outstanding abstract specifically in the area of cancer biology. The award recipient will receive a \$1,000 cash award and a certificate during an Awards Presentation Program at the AAI Annual Meeting. This award is generously supported through a grant from eBioscience, Inc.

AAI Minority Scientist Travel Award

Supported through the FASEB Minority Access to Research Careers (MARC) program and a grant from the National Institute of General Medical Sciences (NIGMS), NIH, this award provides travel support to eligible AAI members to attend the AAI Annual Meeting. Two types of awards are available (see application instructions, linked below), providing support of up to \$1,650 for registration and meeting-related travel expenses. Award recipients are invited to attend the annual AAI Business Meeting and Awards Presentation, where they will be recognized.

AAI Trainee Abstract Award

This award provides \$500 to AAI Trainee Members (students and postdoctoral fellows) whose first-author abstract submitted to the AAI Annual Meeting is selected for oral presentation in a Block Symposium. Attendance at the meeting is mandatory and the first author must make the abstract presentation.

For complete AAI Travel Award and Grant application details, as well as information on AAI Career Award nominations, visit **www.AAI.org/Awards**.

The 2011 AAI Awards will be presented in conjunction with

IMMUNOLOGY 2011™, the 98TH AAI Annual Meeting

May 13-17, 2011, in San Francisco, California

AAI Courses in Immunology

2011 Introductory Course in Immunology

July 9 – 14, 2011

The University of Pennsylvania, Philadelphia, PA

Director: Christopher A. Hunter, Ph.D., University of Pennsylvania School of Veterinary Medicine

Co-Director: Terri M. Laufer, M.D., University of Pennsylvania School of Medicine

This intensive two-part course, taught by world-renowned immunologists, provides a comprehensive overview of the basics of immunology. This course is for students new to the discipline or those seeking more information to complement general biology or science training. **Part I (July 9 – 11)** is a detailed introduction to the basic principles of immunology and is suitable for students with a general biology background. **Part II (July 12 – July 14)** is a clinically oriented lecture series. Parts I and II may be taken independently at the discretion of the student.

2011 Advanced Course in Immunology

July 31 – August 5, 2011

The University of Minnesota, Minneapolis, MN

Director: Stephen C. Jameson, Ph.D., University of Minnesota Medical School

Co-Director: Michael A. Farrar, Ph.D., University of Minnesota Center for Immunology

This intensive annual course is designed for serious students of immunology. Leading experts will present recent advances in understanding the biology of the immune system and its role in health and disease. This course is intended for advanced trainees and scientists who wish to expand or update their understanding of the field. This is not an introductory course, and attendees will need to have a firm understanding of the principles of immunology.

FOR MORE INFORMATION VISIT: www.aai.org/Courses.htm.

Please direct inquiries to meetings@aai.org or 301-634-7178.

Financial support for underrepresented minority scientists is available through the FASEB MARC Program. Visit: <http://marc.faseb.org/>.

SPECIAL DISCOUNTS FOR AAI MEMBER AUTHORS

WAIVER OF MANUSCRIPT SUBMISSION FEE

Corresponding authors who are regular, emeritus, or honorary AAI members in good standing on the date of manuscript submission to *The Journal of Immunology* receive a waiver of the \$50 submission fee.

REDUCED CHARGES FOR COLOR FIGURES

Corresponding authors who are regular, emeritus, or honorary AAI members in good standing on the date their manuscript is accepted for publication in *The Journal of Immunology* receive a \$200 reduction in the cost of the first color figure on each page.

For complete details on AAI membership privileges and benefits, eligibility requirements, and application forms, please visit www.aai.org/membership, contact the AAI membership office at 301-634-7195, or email members@aai.org.

For complete details on manuscript submission to *The JI*, please visit www.jimmunol.org, contact *The JI* office at 301-634-7197, or email infoji@aai.org.

IMMUNOLOGY 2013™
May 3–7
Honolulu, Hawaii

AAI... *Working for You!*

The mission of The American Association of Immunologists (AAI) is to advance knowledge of immunology and related disciplines, foster interchange of ideas and information among scientists, and promote understanding of the field of immunology.

REGULAR MEMBERSHIP BENEFITS

- Membership in the largest and most prestigious professional association of immunologists in the world
- Effective representation! Your views and concerns on research funding and science policy are brought to Congress and federal agencies by professional staff and member-driven committees working together to advance immunology research and address issues that affect members' careers
- Voting privileges in AAI elections and actions
- Eligibility for prestigious AAI career and travel awards
- Eligibility to serve on AAI committees: help determine the direction of AAI and serve the larger scientific community
- Reduced registration and abstract submission fees to the AAI Annual Meetings
- Privilege of leading major sessions at the AAI Annual Meetings
- Reduced registration fees to the AAI Introductory and Advanced Immunology Courses
- A subscription to *The Journal of Immunology* (print and/or online) and access to the full digital archive
- No submission fee for manuscripts submitted to *The Journal of Immunology*
- Significantly reduced color figure charges for manuscripts published in *The Journal of Immunology*
- Eligibility to serve on the Editorial Board of *The Journal of Immunology*
- Reduced subscription rates to other immunology journals
- A subscription to the *AAI Newsletter*
- Membership in the Federation of American Societies for Experimental Biology (FASEB) and in the International Union of Immunological Societies (IUIS)
- Inclusion in, and online access to, the FASEB Directory of Members
