On the occasion of the
100th Anniversary of
The American Association of Immunologists
Dartmouth Journal Services
extends its good wishes and most sincere congratulations.

Your Association has been at the forefront of the pursuit of scientific understanding and has rendered conspicuous service to the prevention, treatment, and cure of disease to improve human health worldwide.

We salute you for your leadership in the cultivation of public understanding of the importance of biomedical research for the good of all mankind.

It is altogether fitting for the occasion of your Centennial
to be marked by great fanfare and commendation.

On the Occasion of the
100th Anniversary
of
The American Association of Immunologists

The Federation of American Societies for Experimental Biology extends to
The American Association of Immunologists its most sincere congratulations
and appreciation for a century of outstanding service to science.

Your association's preeminence in the field of immunology, and its dedication to fostering the interchange of ideas and information among scientists, has pushed forward the boundaries of knowledge in the field and contributed immeasurably to advancements in clinical medicine.

We salute your dedication to promoting better public understanding of immunology
as a field and its importance to human health worldwide.

We consider it a privilege to work with you toward our common goal of advancing the quality of life through the support of biomedical research, and we are confident your illustrious record will garner many more commendations in the years to come.

AAI... *Working for You!*

The mission of The American Association of Immunologists (AAI) is to advance knowledge of immunology and related disciplines, foster interchange of ideas and information among scientists, and promote understanding of the field of immunology.

REGULAR MEMBERSHIP BENEFITS

- Membership in the largest and most prestigious professional association of immunologists in the world
- Effective representation! Your views on research funding and science policy are brought to Congress and federal agencies for you
- Leadership opportunities
- Eligibility for prestigious AAI career and travel awards
- Reduced registration and abstract submission fees to the AAI Annual Meetings
- Reduced registration fees to the AAI Introductory and Advanced Immunology Courses
- A subscription to *The Journal of Immunology*
- No submission fee and significantly reduced color figure charges for manuscripts published in *The Journal of Immunology*
- Eligibility to serve on the Editorial Board of *The Journal of Immunology*
- Reduced subscription rates to other immunology journals
